

# QUINTA DO VALE MEÃO

March 4, 2016

"The 2013 Meandro do Vale Meão is a blend of 38% Touriga Nacional, 30% Touriga Franca, 20% Tinta Roriz and 12% miscellaneous grapes aged for 12 months in second and third use Allier barriques. After finishing the first round of tasting, I poured out the glass and took a new one just to make sure I wasn't mixing this up with the Estate Tinto. This Meandro did eventually become a bit less exuberant with air, but it seems full in the mouth on first taste, certainly relative to this level, and bursting with flavor as it airs out and opens up. All the while, it is very elegant. Everything this winery makes is just that, of course."

Mark Squires
